OSQE Class: Wrap it up With Your Serger

Sergers are far so much more than edging fabrics and sewing on knits. In this class, students will begin to use specialty feet to add interest and fun to their serger projects. While creating a pillow wrap, students will learn new techniques such as decorative flatlock seams, adding ruffles, gathering, beading, and piping.

JUKI will have a JUKI Serger Studio and class at every OSQE show:
